WORK EXPERIENCE

Digital Content Manager, *Chicago, IL*   **2023-present**

- Oversaw content ideation, creation, and publication across web platforms and email campaigns.
- Utilized Google Analytics and other data tools to track content performance, analyze user behavior, and make data-driven adjustments to content strategies.
- Managed relationships with external vendors and agencies for web development and server maintenance.
- Stayed current with industry trends and emerging technologies to recommend innovative content strategies and tools for maximizing online presence.

Freelance web developer, *Chicago, IL*   **2022-present**

- Met with clients to discuss designs and user requirements.
- Collaborated with designer to determine the website's layout, content and design.
- Built custom WordPress themes from Figma designs to suit clients' business needs.
- Managed version control as well as hosting and deployment environments for all assets.

Classical singer, Self-employed, *Chicago, IL*   **2013-present**

- Independently prepared complex musical scores, problem solved for unique technical challenges and tailored my approach to suit the projects specifications, as required.
- Maintained a busy schedule of teaching and performing with several different organizations and dozens of individual clients.
- Led rehearsals and performances for multiple choral organizations while facilitating skill-building, providing constructive feedback and maintaining volunteer motivation.
